(can be paid by instalments)
Deposit €100

Counselling training can be valuable to help us cope better with the stresses in our own lives and it can also help us to assist others to find better ways of managing their life in a more positive manner. While some people participate in this course for their own growth and development, others use it as a first step towards counselling as a profession.

A Marvellous Introduction to Counselling Training and Skills

Only a limited number of places available
